Letter From Alivio's CEO

Friends, Family and Supporters,

Welcome to our Annual Gala! Tonight, we honor the devotion of truly committed pioneers who saw the need to provide affordable quality health care to the Hispanic immigrant community in Chicago, and we celebrate everyone who has supported and continued that legacy so that Alivio could grow into what it is today.

This is the first time in three years that we have been able to gather to celebrate our resilience. We've experienced both challenges and opportunities these past few years. COVID impacted every one of us and hit our community hard. Alivio was at the forefront from day 1 providing education, tests and vaccines. We celebrated the expansion of Medicaid like benefits to all Illinois residents 42 and older and continue to fight for healthcare coverage for all regardless of immigration status.

This night was not always guaranteed for Alivio. There have been many challenges and uncertainties throughout the years. Our country's current administration stance on immigration issues, policies and agenda continues to instill fear and threaten our patients and their families. Despite the political climate, we need to stand together to ensure we can continue to fulfill our mission.

Our patients, dedicated employees, and generous supporters are who keep

Alivio pushing forward into the future. Each of you here tonight, plays a critical role in helping us continue the vital work that we do on behalf of the most vulnerable.

Thank you to our exceptional Board of Directors, our expert and compassionate team of physicians, providers and caregivers, our dedicated staff and volunteers, our generous donors and friends.

I would like to give special thanks to my family whose unequivocal support has afforded me the strength and tenacity to lead this amazing organization.

And thanks again to all of you for your shared commitment to this organization that means so much to us. Enjoy the evening!

Sincerely,

Esther Corpuz
Chief Executive Officer

OFFICE OF THE MAYOR
CITY OF CHICAGO

BRANDON JOHNSON
MAYOR

October 26, 2023

Dear Friends:

As Mayor, and on behalf of the City of Chicago, I welcome all those gathered for Alivio Medical Center's *Gala*.

Alivio Medical Center was founded in 1989 to provide much needed healthcare to Chicago's Hispanic community. As a bilingual and bicultural organization, Alivio serves the community through advocacy, education, and research, while providing integrated, comprehensive, culturally sensitive, and quality medical care in a safe, fear-free environment for all immigrants. Since opening, Alivio has expanded to one urgent care center and six community health centers, with three serving as school-based centers. Through their work, Alivio Medical Center has become a leader and model for community health centers around the country.

This year's gala presents the opportunity to come together to celebrate the work and indelible contributions of Alivio over the past year while also looking towards the future. This year Alivio also proudly celebrates 34 years of providing high-quality affordable healthcare to those in need. I am proud to congratulate this year's Award Honorees, **Martin Cabrera, Jr.**, **Esther E. Sciammarella**, and **Daniel A. Meza**. I commend Alivio Medical Center for 34 years of high-quality and inclusive healthcare.

I hope you have an enjoyable event. Best wishes for continued success.

Sincerely,

Mayor

Dear Alivio Medical Center Friends,

Congratulations as Alivio Medical Center celebrates 34 years of providing quality health care and support of healthy lifestyles in the community.

At the core of these years of success is the dedication of the team at Alivio who continually work to make health care accessible to the entire community. Your plans to expand and upgrade the campus reflect an amazing commitment to the communities of Pilsen and South Lawndale/Little Village. You are champions of comprehensive programs that nurture and repair the well-being of children and adults alike. Alivio Medical Center's dedication to the individual is key to a secure and sustainable community.

Gracias a mi amiga Ester Corpuz y todo el equipo de liderazgo, profesionales de la salud y todo el personal por su continua dedicación al acceso a la atención médica.

Mis mejores deseos para que sigan teniendo éxito.

Atentamente,

Dear CEO Esther Corpuz and staff at Alivio Medical Center,

I would first like to take this opportunity to congratulate Alivio Medical Center on their 34 years of providing service to predominantly Latino and bilingual communities in the City of Chicago and local suburbs.

Especially during the COVID-19 pandemic, through Alivio's hard work and dedication, they were able to expand their capacity to allow for thousands of residents to receive free COVID-19 vaccines and facilitated drive-through testing at the peak of the pandemic.

As a valuable stakeholder in the 25th Ward, I have had the pleasure of working with Alivio's leadership and staff on many projects and outreach events to provide necessary information and valuable resources to our residents.

I am grateful to have such an organization be a part of the Pilsen community and I look forward to continue working together to ensure all residents have equal access to effective health care.

Sincerely,

Byron Sigcho-Lopez

Dear CEO Corpuz and friends:

As Attorney General of Illinois, I extend a hearty welcome to the members, donors, and friends attending Alivio Medical Center's (Alivio) 2023 Annual Gala.

I deeply regret being unable to attend this event, but it gives me hope to know that your commitment to the underserved residents of Chicagoland has not waned. For over 30 years, Alivio has proven that receiving comprehensive, patient-centered health care should not be a matter of income. Moreover, I applaud your plans for a new Mosaic Square Medical Campus, which will profoundly enhance your health services.

It is my sincere privilege to join Alivio in celebrating its numerous achievements and honorees. I wish you a memorable gala and many more years of continued success.

Very truly yours,

Kwame Raoul

Martin Cabrera, Jr.

CEO & Founder,
Cabrera Capital Markets (CCM)
and Cabrera Capital Partners (CCP)

Alivio Medical Center's Una Presencia Activa award is presented to an individual whose work embodies the mission of Alivio Medical Center and whose contributions serve to improve the health of Alivio's communities.

MARTIN CABRERA, JR. is the *CEO & Founder* of Cabrera Capital Markets (CCM) and Cabrera Capital Partners (CCP).

Cabrera Capital Markets (CCM) provides global investment banking and institutional brokerage services to a substantial and diversified client base that includes financial institutions, states and municipalities, corporations, unions, foundations and endowments. CCM has issued over \$330 billion in debt for municipalities and over \$400 billion in debt and equities for corporations nationally and internationally. CCM's taxable fixed income and global equities trading desks are transacting over one billion in securities daily.

Cabrera Capital Partners (CCP) provides commercial and residential real estate development expertise, investment, and consulting services to a full range of clients in the public, private, institutional and non-profit sectors. CCP has experience providing investment advisory services including development, acquisition and management of over \$3.5 billion in institutional real estate. CCP's current real estate development focus is the transformation of a thirty-six acre vacant in-fill site on Chicago's Southwest side into a 400+ million mixed income and mixed-use community providing essential housing, services and jobs.

Martin has over twenty-five years of investment experience. He earned a Bachelor of Science degree in Finance from Northern Illinois University and studied at the London School of Economics.

Martin currently serves as a Board Member at Chicago Community Trust, Member of the Archbishop's Finance Council and Chairman of the Real Estate Committee for the Archdiocese of Chicago, Chairman of the Endowment Committee at St. Ignatius College Prep, Governing Board Member at Econ Illinois, Board Member of World Business Chicago, Former Chairman of the City Colleges of Chicago and Former Chairman of the Chicago Plan Commission.

Lifetime Achievement Award

•• Presented to ••

Esther E. Sciammarella

Executive Director,
Chicago Hispanic Health Coalition

Alivio Medical Center's Lifetime Achievement Award is bestowed upon an individual whose life-long efforts and accomplishments, along with personal character have had significant and lasting contributions in the areas of health and/or immigration.

ESTHER E. SCIAMMARELLA, M.S. has a Master of Science in Clinical Psychology from the Illinois Institute of Technology and has been involved in clinical therapy, mental health service delivery, and community support and residential services for refugees and mentally ill clients. She is also a fellow graduate of Harvard University John F. Kennedy School of Government's Hispanic Health Leadership Fellowship Program, where she received extensive training for senior executives in state & local government. She also participated in the 1999 White House Conference on mental health alongside with Tipper Gore. In her ongoing partnership with the National Alliance for Hispanic Health, she collaborated on the book "Salud!" A Latina's Guide to Total Health-Body, Mind, and Spirit, by Jane Delgado, PhD – President and CEO of the Alliance.

Ms. Sciammarella is the Executive Director of the Chicago Hispanic Health Coalition, a 501 (c) (3) non-for-profit organization that she helped establish in June 1991 as a multi-disciplinary membership organization. Its mission is to promote healthy behavior and prevent chronic disease in the Hispanic community. The CHHC maintains a centralized forum for capacity building, coordination, and networking among health and human service providers and consumers. The Coalition also directly provides the Hispanic Community with health education and disease prevention workshops. Ms. Sciammarella currently holds a position at the University of Illinois Hospital & Health Sciences System working closely with the Family Medicine Clinic Medical Director in the development of Pilsen Clinic-based community health programs and classes to serve the community.

Ms. Sciammarella was a Special Assistant to the Commissioner for Hispanic Affairs at the Chicago Department of Public Health. In this capacity, she acted as a consultant and liaison between the department and the Hispanic community to ensure that programs and services were sensitive to Hispanics and assists in planning health-related programs in the community.

In addition to being on the board of the Chicago Hispanic Health Coalition, she is currently Community Co-Chair of Partnerships and Community Engagement for Healthy Chicago 2.0 Department of Chicago Public Health, Investigative Partner for the Hispanic Community Health Study / Study of Latinos (HCHS/ SOL) which is the largest study for the Hispanic community, the UIC Latino Community Advisory Council, the UIC Urban Health Program, Steering Committee for the Chicago Cancer Health Equity and Collaborative along with UIC and Northwestern University, and collaborating with All of Us Research Program; which is funded by National Institute of Health (NIH), a historic effort to gather data from one million or more people living in the United States to accelerate research and improve health.

Mrs. Sciammarella was recently appointed, by Governor J.B Pritzker, to the State Board of Health.

Carmen Velásquez Warrior Award

•• Presented to ••

Daniel A. Meza, M.D.

Pulmonologist, Northwestern Medicine

The Carmen Velásquez Warrior Award is presented to an individual whose leadership, tenacity, and drive, embody the (warrior) spirit of Alivio's founder, Ms. Carmen Velásquez, and whose contributions serve to improve the health and lives of Alivio's communities.

DANIEL A. MEZA, M.D., is an Assistant Professor of Pulmonary Critical Care Medicine at Northwestern Medicine. His clinical practice focuses on patients with diagnosis of Asthma and COPD while his research is focused in clinical trials for the future treatment of these diseases. Dr. Meza obtained his undergraduate degree at Valparaiso University. He then obtained his medical degree from the University of Illinois College of Medicine in Chicago, where he was also part of Urban Medicine a program to better understand health disparities and learn how to develop community-based interventions. He then pursued his three-year Internal Medicine training at University of Chicago where he also completed the Maclean Ethics fellowship in his last year there. This was followed by completing his Pulmonary Critical Care subspecialty fellowship at Northwestern Medicine where he also worked on obtaining federal funding to study disparities using population data from Cardia Cohort. He then stayed on as faculty in the pulmonary division where he focuses on treating individuals with Asthma and COPD and involved with clinical trials to treat these diseases.
